🎓 EDUCATION

Software Engineer

Codam Coding College
Oct 2022 – May 2025 | Amsterdam, The Netherlands
The only peer-to-peer coding school in the Netherlands, dedicated to educating software engineers based on a project based curriculum and collaboration.

Master in Finance

Academy of Economic Studies of Moldova
Sep 2012 – Jun 2014 | Chisinau, Republic of Moldova

Bachelor in Finance and Banking

Academy of Economic Studies of Moldova
Sep 2009 – Jun 2012 | Chisinau, Republic of Moldova

🏢 PROFESSIONAL EXPERIENCE

Career break to pursue education in IT

Oct 2023 – present | Amsterdam, The Netherlands
I paused my finance career to study Software Engineering in order to gain new skills that I can apply in the Finance world.

Internal Auditor

Omron Management Center Europe
Jul 2019 – Sep 2023 | Hoofddorp, The Netherlands

- Performed full cycle internal audits at Omron Headquarters and regional entities.
- Evaluated risk areas, analyzed data and effective proposed remediations.

Financial Analyst

Bitfury
Jun 2018 – Jun 2019 | Amsterdam, The Netherlands

- Created financial models based on data analysis to support organizational decision making.
- Developed automated reporting and forecasting tools for more efficient use of data (SQL, Excel)

Revenue Analyst

ServiceNow
Jan 2017 – Apr 2018 | Amsterdam, The Netherlands

- Responsible for the EMEA/APAC regions in terms of deal reviews, structuring.
- Actively involved in the implementation of Revenue Accounting and Reporting tool based on IFRS 15.

Senior Associate Audit and Assurance

Deloitte
Sep 2013 – Dec 2017 | Chisinau, Republic of Moldova

- Lead the team during fieldwork on audit engagements, identifying the risks within various industries, preparing audit plans, establishing appropriate audit procedures and being directly responsible for the reporting process and communication with client management.
